ORDER:

The Hon'ble Chief Minister has made the following announcement in the Government Function held on 21.01.2022 at Madurai

மாநகராட்சி பகுதிகளில் அதிகரித்து வரும் போக்குவரத்தை கருத்தில் கொண்டு, 100 கோடி ரூபாய் மதிப்பில் வைகை ஆற்றின் வடகரையில் உள்ள சாலையை நீட்டிப்பதற்கும், மேலக்கல் சாலையை அகலப்படுத்துவதற்கும் தேவையான பணிகள் செயல்படுத்தப்படும்.

2. The Chief Engineer (H), Construction and Maintenance, in his letter read above has submitted the proposal for the work of "Construction of Vaigai river North Bank Road km 0/0-8/0 from Kamarajar Bridge to Varanasi Kanniyakumari road (NH 44) near Samayanallur". The details of the above proposal are as given below:-

- i. Madurai is a major city of Tamil Nadu. It is the cultural capital of Tamil Nadu and the administrative headquarters of Madurai District. As of the 2011 census, it was the third largest Urban agglomeration in Tamil Nadu after Chennai and Coimbatore and the 44th most populated city in India. Located on the banks of River Vaigai, Madurai has been a major settlement for two millennia and is also known as Thoonga Nagaram. The City has a number of historical monuments like the Meenakshi temple and Thirumalai Nayak palace. Madurai is an important Industrial and Educational hub in South Tamil Nadu. The proposed road is located at the starting point of Kamarajar Bridge and ends at Varanasi Kanniyakumari road (NH 44) near Samayanallur. Thus the road lies parallel to the

- existing Varanasi Kanniyakumari road (Abandoned NH7) maintained by Madurai (H), Construction and Maintenance Division.
- ii. Nowadays the traffic from Dindigul side to reach Madurai has to pass through Samayanallur, Paravai, Vilangudi and Fathima College. But it leads to heavy traffic congestion always in Samayanallur, Paravai and Vilangudi areas, because these stretches are highly developed and it is not possible to further widen the above mentioned places. The proposed Vaigai North Bund road would serve as alternate route to cater to the Dindigul side traffic to reach Madurai resulting in savings in the fuel cost, traveling time and pollution.

3. The Chief Engineer (H), Construction and Maintenance has therefore, requested the order of the Government to accord Administrative Sanction for the work of "Construction of Vaigai river North Bank Road km 0/0-8/0 from Kamarajar Bridge to Varanasi Kanniyakumari road (NH 44) near Samayanallur" for an amount of Rs.100 Crore.

4. The Government, after careful examination, accept the proposal of the Chief Engineer (H), Construction and Maintenance and to accord Administrative Sanction for the work of "Construction of Vaigai river North Bank Road km 0/0-8/0 from Kamarajar Bridge to Varanasi Kanniyakumari road (NH 44) near Samayanallur for an amount of Rs.95.94 Crore (Rupees Ninety Five Crore and Ninety Four Lakhs only) under the CRIDP Bank of sanction for the year 2022 – 2023.

5. The expenditure sanctioned in para 4 above shall be debited to the following head of account:-

"5054 - Capital Outlay on Roads and Bridges – 03 –State Highways –
337 – Road Works – State's Expenditure – JI. Comprehensive Road
Infrastructure Development Programme (CRIDP) – State Highways –
416 - Major Works – 01. Major Works".

(IFHRMS DPC: 5054-03-337-JI-41601)

6. The Chief Engineer, (Construction and Maintenance), Highways Department is authorized to incur the expenditure sanctioned above.

7. This order issues with the concurrence of Finance Department vide its U.O.No.34730/PW-I/2022, dated: 12.07.2022.
